MEMORANDUM FOR: Director of Personnel

VIA: Deputy Director for Administration

FROM: Chief, Position Management and
Compensation Division, OPSUBJECT: Reallocation of Senior Intelligence Service
Positions Within the Office of SecurityREFERENCE: Memo for DDA Personnel Officer fr D/OS, dtd 31 Jul 86,
Subject: Submission of FY 1987 SIS Position Requirements

1. Action Requested: Your approval to reallocate SIS positions to satisfy staffing requirements associated with the major reorganization and expansion of the Office of Security (OS).

2. Background: When OS submitted their reorganization to PMCD for implementation, of their SIS positions were reallocated to new functions within the Office. These positions were placed in a "pending allocation" status because the duties and responsibilities differed from those previously approved at the SIS level. OS has indicated that the new organizational structure is now firmly established and functioning and has requested that these positions be evaluated for formal reallocation. PMCD has reviewed OS's new organizational structure and position descriptions and has determined that the duties and responsibilities of these positions warrant classification at the SIS level.

3. Recommendation: It is recommended that you approve the following actions:

a. Reallocate OS/Deputy Director of Personnel Security (DDPS). This position is that of the Deputy Director of Personnel Security.

(X) Approved () Disapproved

b. Reallocate to OS/DDPS/Investigations Group. This position is that of Chief, Investigations Group.

(X) Approved () Disapproved

1. As a result of a major reorganization and expansion, the Office of Security has identified nine new SIS requirements for FY 1987. A listing of the positions in rank order is provided on the attached spreadsheet (Attachment A).

2. In addition to our new SIS requirements, it is necessary to reallocate several established SIS positions due to the February 1986 reorganization of the Office of Security. The new organizational structure is firmly established and functioning; therefore, it is requested that the positions listed in Attachment B be evaluated for reallocation. Except for the two Deputy Director positions and the new Administrative Officer position, position descriptions for all of the above positions are attached. If you should have any questions or need additional information regarding our SIS requirements, please contact Chief, Personnel Management Staff, on
